

Commonwealth Home Support Program (CHSP)

What is ADEC?

Specialists in supporting people from ethnic backgrounds. Empowering people living with a disability, our aging population and their families and carers.

What is CHSP?

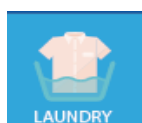

This is a government funded home care package aimed at assisting **people over 65 years' access entry-level support services** to live independently and safely at home.

CHSP is **short-term funding for low care services**, often available while you are on the wait list to be assigned a Home Care Package. This includes people over the age of 65.

What does CHSP Offer?

- You can choose from a set menu of home care services – there isn't much flexibility
 - Domestic Assistance
 - Garden maintenance
 - Transport (including vouchers) and
 - Specialised Support Services - Client Advocacy
- Only pay a contribution for the services you use
- Can dip in and out of the program as you need services
- Have your eligibility assessed by the Regional Assessment Service
