How we can help

NDIS Funded Supports

ADEC's NDIS Support Program assists NDIS participants to reach their goals in their NDIS Plan. We achieve this through Disability Support and Plan Management.

Aged Care

ADEC's Aged Care Program supports older people with a Home Care Package to live independently at home. We achieve this by providing home care services and package support.

Community Services

ADEC's Community Services Department aims to build the skills and knowledge of culturally diverse communities through a platform of Capacity Building Projects, an Advocacy Program, a language specific Social Support Groups Program, and NDIS Appeals and Reviews services.

Capacity Building Projects

Short term well-being workshops for eligible participants tailored to community needs. These can include but are not limited to yoga, tai chi, meditation and mindfulness, self-care, and health education workshops.

Advocacy Support

ADEC's Advocacy Support Program assists people to understand their rights, access information and services, and to speak up for what is needed to improve their situation. Our Advocates will help you work out what the issue is, what you want to happen, and prepare an advocacy plan.

Appeals and Reviews

ADEC NDIS Appeals helps people with a disability (or people affected by an NDIA decision) who do not agree with the NDIA internal review decision.

- Assist with self-appeal
- Explain the NDIS appeal process and your rights
- Guide you through ART appeals
- Attend ART hearings with you for support

ArtAbility Workshops

FREE art sessions facilitated by a qualified art instructor for eligible participants. Opportunity for art work to be displayed in an online and face to face exhibition.

Social Support Groups

ADEC's Social Support Groups Program provides language specific peer support groups. The groups are run on a monthly basis all over Melbourne.
