Plan Management

Helping you manage your NDIS funding with confidence

We're here for you, every step of the way

Managing your NDIS payments can feel overwhelming. At ADEC, we make it simple, clear, and stress-free, so you can focus on your goals.

We support you and your family by making sure your NDIS funding is well-managed and working for you.

Joining the ADEC family

Getting started is easy. Our team will guide you through the process and help you understand your funding.

We will:

- Explain your options clearly
- Set up your plan payments
- Start supporting you straight away

You don't have to navigate the system alone — we are here to help every step of the way.

Transparent funding management

With increasing concerns within the NDIS about incorrect billing and misuse of funds, it is important to choose a trusted partner who will manage your funding carefully, transparently, and appropriately.

At ADEC, we:

- Check every invoice before payment
- Monitor your budget regularly
- Help prevent overcharging
- Provide portal access for greater transparency

Supporting you every day

Our Plan Management team is your reliable point of contact.

We:

- Pay your providers on time
- Track your spending
- Provide clear reports
- Answer your questions quickly

You'll always know what's happening with your funding - no confusion, no stress.

Why choose ADEC Plan Management

- Clear and simple communication
- Real-time budget tracking
- Multilingual support
- Trusted community organisation
- Confident NDIS funding guidance
- Compliant invoice processing

Where to get more information
