ADEC

# ADEC Services

## Empowering Communities, Celebrating Diversity

### Supporting multicultural communities since 1982

ADEC supports people from multicultural communities across Victoria to live independently, stay connected, and access the services they need. We provide culturally responsive aged care, disability, advocacy, and community services that respect your language, culture, and individual goals

## OUR SERVICES

### Support at Home (Aged Care)

Helping you remain safe, independent, and connected at home.

- Nurse-led care model
- Qualified staff
- Coordination with your health providers
- Support in your language

### Plan Management (NDIS)

Helping you get the most from your NDIS funding

- Invoice checking and processing
- Budget tracking
- Clear reporting
- Protecting your funding

### Support Services

Flexible support designed around your goals and everyday life.

- Personal care and daily support
- Community access
- Capacity building
- Consistent support workers

### Advocacy Support

Independent advocacy to help you understand your rights and have your voice heard.

- Independent and confidential support
- Help with complaints and appeals
- Guidance through complex systems

### Social Support & Community Programs

Building friendships, confidence, and community connections.

- Multilingual social groups
- Activities and workshops
- Community connection

# ADEC Services

## Why choose ADEC

- Verified CALD Specialist provider recognised for supporting multicultural communities
- Since 1982, supporting people from diverse cultural and language backgrounds across Victoria
- Staff who speak 33+ languages, with free interpreter services available when needed
- Nurse-led clinical oversight and strong governance to support quality, safety, and wellbeing
- Person-centred and culturally responsive support that respects your language, culture, values, and preferences
- Support tailored to your individual goals, needs, and circumstances
- Trusted not-for-profit organisation focused on community outcomes rather than profits
- A wide range of aged care, disability, advocacy, and community services under one organisation
- Helping people stay connected, independent, and engaged in their community
